APPLICANT'S SUMMARY OF TELEPHONE INTERVIEW

---

In accordance with MPEP 713.04, the Applicant hereby submits a summary of the substance of the telephone interview conducted at 8:00 o'clock a.m. on Tuesday, October 17, 2006:

- (A) Exhibits Shown Or Demonstrations Conducted: None.
- (B) Identification Of The Claims Discussed: All the pending claims were discussed, generally, including new claims 34-51.
- (C) Identification Of Specific Prior Art Discussed: None.
- (D) Identification Of The Principal Proposed Amendments Of A Substantive Nature Discussed: The amendments submitted in the recent Response to Office Action were discussed, including new claims 34-51.
- (E) The General Thrust Of The Principal Arguments Of The Applicant And The Examiner: The Applicant argued that new claims 34-51 recite the apparatus more clearly because the features are recited without reference to the received edge of a container wall. The Examiner agreed to review the new claims when preparing the next Office Action.
- (F) A General Indication Of Any Other Pertinent Matters Discussed: The Applicant expressed a desire to move the application forward and requested general guidance from the Examiner.
